## *Greetings to all Dahlia Lovers*

In presenting our Catalogue for 1935 we wish to thank our many friends and customers for their patronage in the past, also for the many kind letters telling of the joy of a Dahlia Patch.

On the ensuing pages we are introducing some of our outstanding numbers of the past four seasons. We are also presenting recent introductions of other growers, with a good list of the popular standard dahlia.

Mr. and Mrs. M. F. Heaphy

## IMPORTANT ANNOUNCEMENT

The Stone Street Dahlia Gardens have decided not to issue any new varieties in 1935. We have a number of good ones but not having stock enough have decided to hold until the season of 1936; leading the list with "NANCY RIVA" the new bi-color crimson-white. Formal Decorative. Won 1st Prize for best Formal Decorative Seedling at the New England Dahlia Show at Boston last September. I wish you could see this flower in our garden. Will also release some others not yet named.

Mr. and Mrs. M. F. Heaphy
